Daily Replenishing

Broad Spectrum SPF 30+

Chemical-free tinted moisturizer with zinc and titanium protects against damaging UVA/UVB rays and calms skin. Antioxidants and peptides prevent future damage. May be used as a makeup primer or lightweight foundation.

Benefits

- Chemical-free
- Effective anti-wrinkle ingredients smooth skin
- Skin-calming ingredients reduce redness
- Paraben-free, non-comedogenic
- Safe for all skin types including sensitive skin, and pre-and post-laser and other cosmetic treatments

Featured Ingredients

7.5% Transparent Zinc Oxide: provides chemical-free protection from damaging UVB (burning) and UVA (aging) rays while also calming skin that is red, post-procedure, irritated, or sun-damaged.

4% Titanium Dioxide: chemical-free, physical block from UVB (burning) and UVA (aging) rays.

Firming Peptides: powerful rejuvenating peptides work as collagen and elastin boosters to lessen the appearance of fine lines and wrinkles, and minimize signs of aging.

Aloe Vera: calms inflammation and redness, while soothing and moisturizing skin. It has multiple antioxidant benefits as well as skin softening, antimicrobial, and anti-inflammatory properties.

Directions

Apply liberally and evenly 15 minutes before sun exposure. Reapply at least every 2 hours. Use a water-resistant sunscreen if swimming or sweating. Children under 6 months of age: Ask a doctor.

Daily Replenishing is suitable for all skin types, including Fitzpatrick Skin Types 5 and 6.

Ingredients

Active Ingredients: Zinc Oxide (7.5%), Titanium Dioxide (2.4%) FDA-approved chemical free, physical block from UVB (burning) and UVA (aging) rays
