Salicylic Face and Body Wash

For Hyperpigmentation, Oily, and Acne-Prone skin

Micro-exfoliating cleanser with 2% salicylic acid at low pH for enhanced dead cell removal. Unclogs pores, treats and prevents acne, and improves luminosity and pigmentation. Suitable for face and body.

Benefits

- Effectively cleanses without drying skin
- 2% salicylic acid helps fight acne and signs of aging
- Deep cleans pores
- Gentle surfactants are non-irritating
- 100% sulfate-free
- 100% fragrance-free
- All-natural preservative system
- Ideal for body breakouts
- Calms bikini and razor bumps

Featured Ingredients

2% Salicylic Acid at low pH: derived from the bark of Birch Trees and also known as Beta Hydroxy Acid, this highly effective ingredient works by ungluing dead skin cells from each other and is renowned for its power to penetrate the pores and dissolve oil and debris. This cleanser utilizes the maximum strength allowed for over-the-counter preparations.

1% Extra Virgin Coconut Oil: keeps skin moisturized and soft, while its exfoliating properties help to cleanse pores without irritating the skin.

Directions

Gently massage small amount onto damp face, neck and body twice daily. Leave on for 10 seconds. Rinse thoroughly with tepid water.

Ingredients

Active Ingredient: Salicylic Acid 2%

Inactive Ingredients: Water, Sodium Lauroyl Methyl Isethionate, Sodium Chloride, Glycerin, Cocamide MIPA, Decyl Glucoside, Cocos Nucifera (Coconut) Oil, Cyamopsis Tetragonoloba (Guar) Gum, Aloe Barbadosensis Leaf Juice, Salix Nigra (Willow) Bark Extract, Glyceryl Caprylate, Citric Acid, Sodium Hydroxide, Glyceryl Undecylenate.
